## **SCHOLARSHIP POLICY**

Bethlehem Institute of Engineering feels proud to provide two kinds of Institutional Scholarships: Merit Scholarship and Tuition Fees Waiver Scholarship to the students. These will be given to them based on the following standards to help their education during their term of study: The BIoE Merit Scholarship will be available to students who have completed their H.Sc. with an aggregate percentage 80 and above. Students those who secured cutoff 145 and above for the subjects Mathematics, Chemistry and Physics will be considered eligible to avail the BIoE Merit Scholarship

BIoE proves its merit by providing quality technical education for students from rural background. Taking into consideration of the economic status of the students and to assist them in studying, our Institution has decided to provide scholarship for the students from economically backward family by providing study materials and fee concession during the academic period.

Students who have single parented, underprivileged background possessing a very low income will be considered for Tuition Fees Waiver Scholarship. The students who are eligible to avail scholarship have to fill an application form and the same has to be submitted to the Administration Office. The Scholarship committee will verify the authenticity of the certificates through a transparent approach and subsequently recommend the students to the Trust for providing the eligible scholarship.
